2:00 p.m. to 5 p.m. (afternoon session)

Sunday 1st August 2010:

9.30 a.m. to 1 p.m. (questions and answers)

Tips and Techniques for Successful Parenting

Aruddha devi dasi shares her experiences on home schooling and raising children using Srila Prabhupada's books. She answers questions parents may have on how to get started and offers guidance on difficulties that may arise during a child's educational years.

Aruddha devi dasi (aruddha108@yahoo.com) and her husband Anantarupa dasa are both disciples of H.H. Gopal Krishna Goswami. They began practicing Krishna consciousness in Chicago in the early 1980's, and started the ISKCON Temple in Boise, USA, in 1986 as a small weekly program in their home. Now twenty years later there is a beautiful mid-size Vedic temple for Their Lordships Sri Sri Radha Bankebihari. Aruddha and Anantarupa home-schooled their children and ran the Govinda's restaurant in Boise for 6 years.

Their eldest son, Radhika Raman Das (Dr. Ravi Gupta), holds a Ph.D in Hinduism from Oxford University in England. He entered Boise State University at the age of 13, where he completed dual B.A. degrees in Philosophy and Mathematics with highest honors. He also wrote the "India's Heritage" column for Back to Godhead for several years. He is now Assistant Professor of Religious Studies at the College of William and Mary, and his first book, *The Caitanya Vaishnava Vedanta of Jiva Goswami*, has been published by Routledge, a reputable academic press.

Their youngest son Gopal Hari Das (Gopal Gupta) is currently working towards his Ph.D in Science and Religion at Oxford University. He entered Boise State University at the age of 12 where he completed a bachelors and masters degree in Electrical Engineering with highest honors.

Currently, Aruddha is traveling to various temples in North America, Europe, and India doing weekend seminars on homeschooling and good parenting. She also runs a Yahoo group on the internet for devotee parents interested in homeschooling their children. www.krishnahomeschool.com
